Subject: AB - 466 unclaimed funds

Rep. Berceau,

I understand AB-446, that authorizes county treasurers to provide notice of unclaimed funds via the county website is coming before the executive committee for a vote tomorrow. As Dane County Treasurer, I wanted to let you know that I support the measure. It provides the option to use the County web page to publicize unclaimed funds and will save money on publication costs. I am not certain Dane County will avail itself to this option immediately, but I think County Treasurers should be allowed to meet the notification requirements in this manner. Thanks for your assistance on this issue

Please contact me if I can provide any additional information.
